Vanuatu Made Website – Payment Gateway Integration

The Department of Industry, Ministry of Trade and Commerce, hereby invites qualified and experienced web developers/consultants to submit proposals for the **development and integration of a payment gateway and e-commerce platform** for the *Vanuatu Made* website.

Scope of Work

The successful consultant will be required to:

- Redesign the website and improve user experience
- Set up a fully functional e-commerce system (product listing, shopping cart, order management)
- Integrate secure payment gateways (including card payments, M-Vatu, and MyCash)
- Conduct testing and support system launch
- **Duration:** 3 months (April – July 2026)
- **Location:** Port Vila

Eligibility Requirements

Interested applicants must demonstrate:

- Proven experience in web development
- Experience in payment gateway/system integration

Submission Details

Interested consultants may request the RFQ documents and submit their proposals via email to Mr. Tony Tamata & Ms Rosie Tatwin.
